WORK EXPERIENCE

A.I./ML Developer

Kshatra InfoTech Pvt Ltd.

📅 July 2023 - current

📍 Gandhinagar, India

I'm deeply entrenched in the AI and ML landscape, specializing in cutting-edge algorithms. My focus lies in medical diagnosis and processing, where I've applied advanced techniques with notable success. My expertise spans AI and ML applications, particularly excelling in NLP. Committed to innovation, I consistently leverage AI to drive meaningful advancements in medical technology.

Data Scientist Intern

Rapidops Solution Pvt Ltd.

📅 Feb 2023 - Jul 2023

📍 Ahmedabad, India

- Embarking on my data science journey, I immersed myself in machine learning, deep learning, and the nuances of recommendation systems. I broadened my expertise in Natural Language Processing (NLP) and successfully deployed projects on Streamlit. Additionally, I delved into MLOps, mastering Docker and Kubernetes for robust deployments. Alongside, I gained proficiency in statistics and linear algebra, rounding out my skill set for a comprehensive understanding of the data science lifecycle.

Python Developer Intern

Akash Technolabs Pvt Ltd.

📅 Jun 2022 - Aug 2022

📍 Ahmedabad, India

As a Python developer intern, I extensively studied OOPs, lists, and strings, engaging in hands-on data analysis and implementing machine learning algorithms from scratch. I also acquired proficiency in SQL using Python libraries, excelling in database creation and querying. Project work further honed my skills in Python development and database management.
